Global Dental A & E Assistance Scheme

Our dental plans include access to a Global Dental Accident and Emergency Assistance Scheme. The Scheme is established to offer support to patients who request assistance or treatment following an accident, a dental emergency or are diagnosed with mouth cancer.

Whilst the scheme aims to provide benefits in most cases, the scheme is a wholly discretionary scheme, not an insurance scheme. It has no obligation to provide benefits and the Scheme Manager will look at each request individually to decide whether or not to provide benefits.

Further details are available from the practice or you can visit www.globaldentalscheme.co.uk to find out more.
